

Fold the Chatterbox

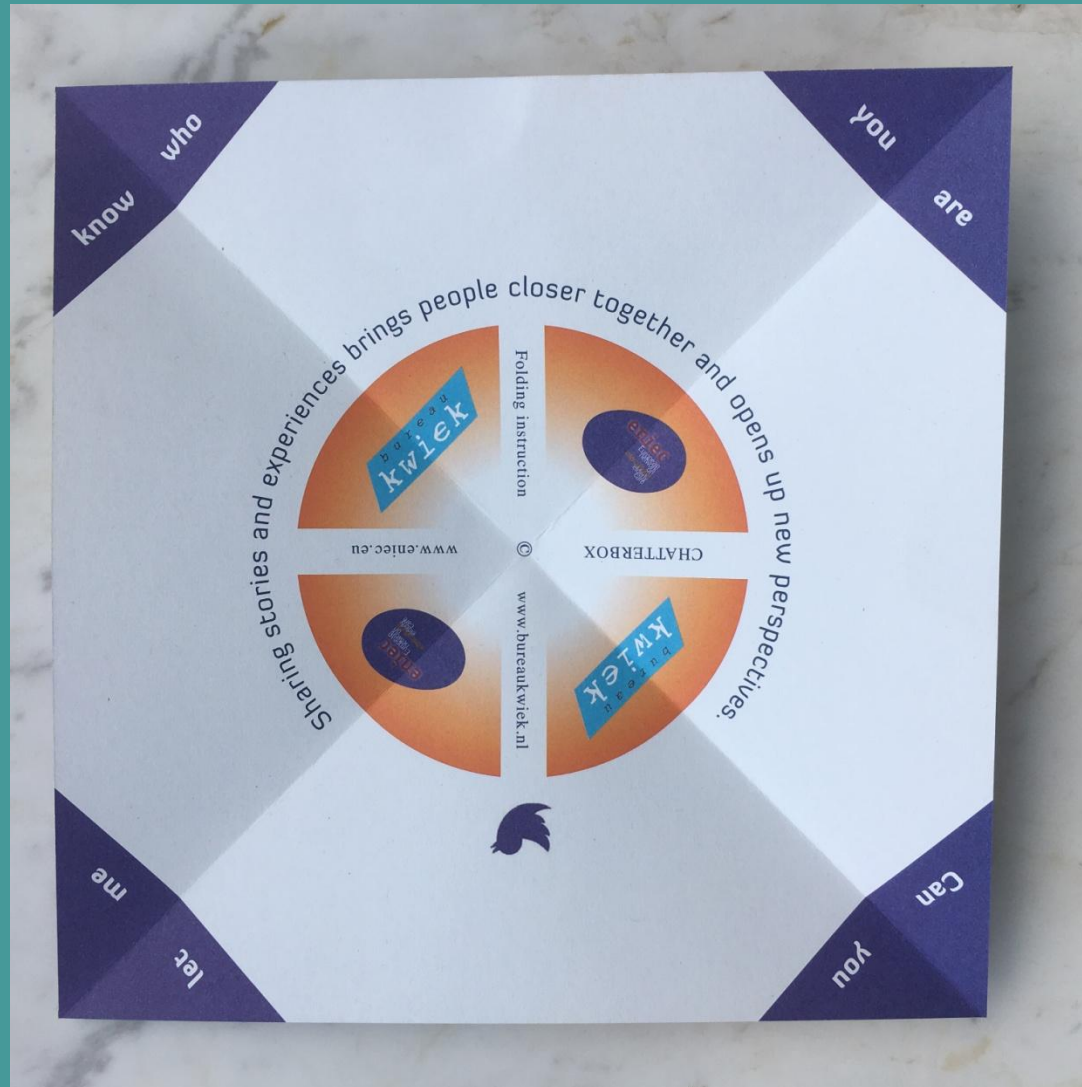

This side up

Fold diagonally first

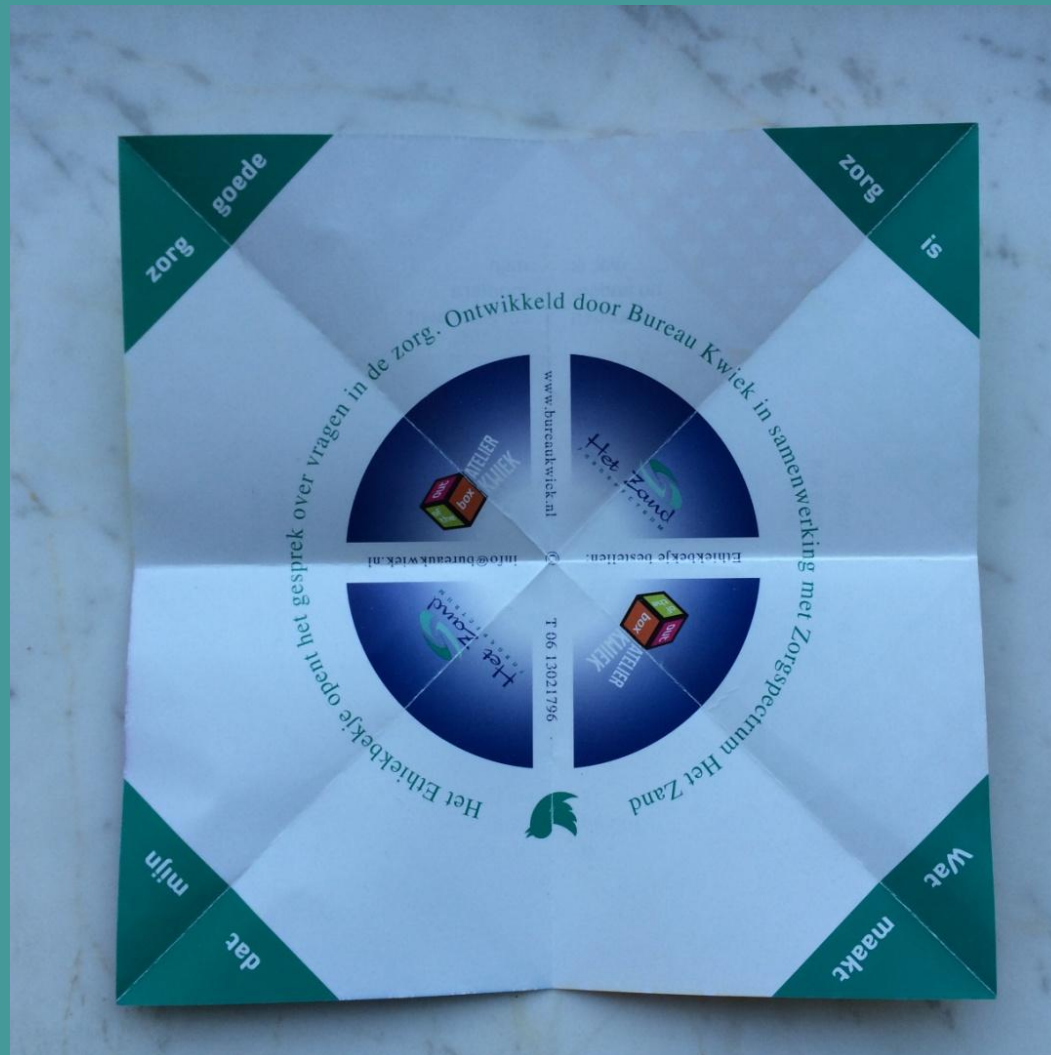

Folded diagonals

Fold the straight lines

Fold lines

Fold the corners towards the centre

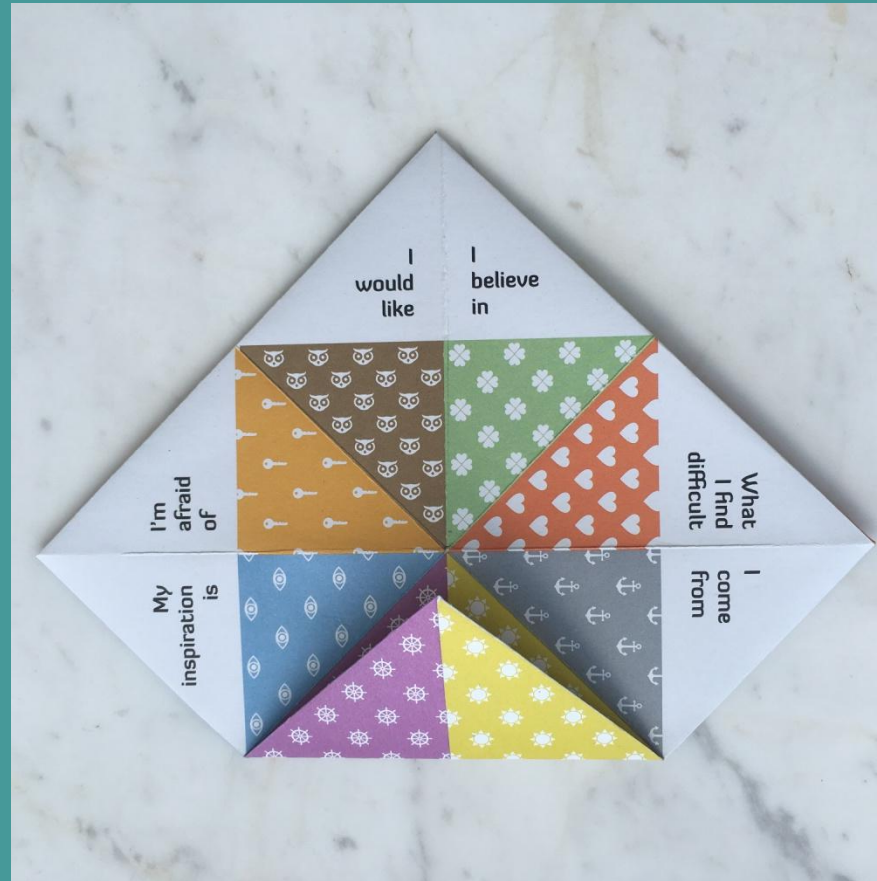

Repeat with all corners

Turn it over

Fold the corners with text towards the centre

Do this with all the corners

On the inner flap each colour and symbol now shows a question

Turn it over and open the flaps outwards

All flaps are opened outwards

Place your fingers in the corners

Ask the other person to pick a number between
1-10
Open and close the chatterbox that amount of
times

The other person then picks a colour or symbol. Ask the question under it.

The question leads to conversation. Keep asking questions!

Play, share your experiences and get to know each other.

Have fun!
